

Deferral Procedures

1. Governing policy

These procedures relate to the *Admissions Policy* ("policy").

The procedures describe the process involved when a student requests to defer the commencement of their course at the institution to a later commencement date.

2. Scope

These procedures apply to commencing students at the institution applying to defer their studies, and staff who implement the procedures. The procedures are aligned with applicable Australian Government legislation including the *National Code of Practice for Providers of Education and Training of Overseas Students 2018* (National Code), Standard 9, which requires institutions to have and implement procedures for assessing, approving and recording a deferment of the start of study, or suspension of study (refer to the *Leave of Absence Procedures* regarding suspension of study).

3. Procedures

- 3.1. Students who have received an offer of admission, may request to defer their commencement date at the institution up to a maximum of 12 months, as per the *Admissions Policy*, and subject to availability of a course in a given intake and places in that course. Students may avail of this period of up to 12 months only once during their enrolment at the institution i.e. multiple deferrals of commencement up to a total of 12 months or 1 deferral of 12 months only.
- 3.2. The procedures set out the two key processes involved in assessing a student's request for a deferral of commencement as per Table 1 below:

1. Submit request

Students who have received an offer, and who have not accepted the offer,

contact the Student Recruitment (either domestic or international) team to request a deferral.

Students who have received an offer and accepted their offer (for international students this means paying the tuition fee deposit and issued a Confirmation of Enrolment (COE)) contact the Student Recruitment team and provide a reason for their deferral request before the commencement of their first study period.

Once an international student has their visa granted, requests for deferral of commencement date can only be approved by the Student Recruitment team for compassionate or compelling circumstances, in accordance with the National Code, Standard 9, with supporting documentary evidence.

2. Deferral request assessment, outcome and reporting

The deferral of commencement request is assessed as per these procedures. The student is notified in writing, the outcome is recorded by the Student Recruitment team in the CRM and PRISMS reporting is performed by the Student Services team for international students where required, and within the required timeframes.

2.2 Applications will be rejected where:		
a. The institution determines for international		
students who have been granted a visa that there		
are no compassionate or compelling		
circumstances to support the application or		
insufficient evidence was submitted;		
b. The institution does not accept the reason		
submitted for deferral request;		
c. The request for deferral is for more than 12		
months; or		
d. The request is received after commencement		
of the course (students will be referred to		
the Leave of Absence Procedures if applicable).		
2.3 The Student Recruitment team will update		
the CRM to reflect the decision to approve or		
reject a request, providing reasons for the		
decision, and to capture evidence submitted.		
2.4 For approved deferral requests, the Student		
Recruitment team will inform the relevant		
Admissions team who will:		
a. Record the new commencement date in the		
student management system;		
b. Issue a Letter of Offer for the new preferred		
intake;		
c. International students must submit the signed		
acceptance for the new offer before a COE can		
be issued;		
2.5 For international students with a COE but no		
visa granted, Student Services will commence		
reporting in PRISMS as follows:		
a. Report the original COE via SCV as non-		
commencement and include the reason		
submitted by the student for the deferral request		
in the comments section;		
b. Issue a COE with the new commencement		
date; and		
c. Instigate internal processes to align deposits		
made with new preferred intake.		
2.6 For international students with a COE and		
visa granted, Student Services will commence		
reporting in PRISMS as follows:		
a. Report the original COE via SCV		
as deferring/suspending student enrolment with		
reason type compassionate or compelling		
circumstances;		
b. Issue a COE with the new commencement		
date; and		
c. Instigate internal processes to align deposits		
made with new preferred intake.		
d. Send the Letter of Offer and COE		
(international students only) within two working		
days.		
2.7 For rejected deferral requests: a. The Student Recruitment team will		
communicate the outcome to the student in writing including the reasons for rejecting the		
request; b. If student decides to then not commence their		
studies at the original commencement date,		
Student Services team will amend the student's		
record in the student management system to		
reflect the non-commencement; and		
c. For international students with a COE, Student		
Services team will commence reporting in		
PRISMS as follows:		
Report the original COE as cancelled.		
2.8 All reporting via PRISMS must be		
completed within:		
a. 14 days after the student's studies are		
deferred (date deferral approved) for		
students under 18 years of age; or		
b. 31 days after the student's studies are		
deferred (date deferral approved) for		
students above 18 years of age.		
2.9 Student services will advise any international		
students in writing that their COE has been		
cancelled. The student is advised to contact the		
Department of Home Affairs if their visa had		
already been granted as their student visa may		
be affected (if applicable). The communication		
will also provide details of how to reapply for		
admission at a later date.		

admission at a later date.

4. Roles and responsibilities

The Registrar is responsible for overseeing the deferral of commencement procedures and the required legislative reporting requirements.

5. Compliance and monitoring

These procedures are written in accordance with Standard 9 of the *National Code* of *Practice for Providers of Education and Training to Overseas Students 2018*.

6. Reporting

Requests for deferral of commencement from international students are reported on PRISMS where appropriate, as detailed in Table 1.

7. Records management

As detailed in Table 1 above, deferral requests are recorded in the institution's student management system and records of the deferral request are filed and saved for two years.
