Course specific attire may also be required and such details are provided to students upon enrolment and orientation.

2. Scope

3. Business attire

3.1 Business attire is the primary dress code for staff and students. Business attire must be worn at the following times:

4. Smart casual attire

4.1 On occasion throughout the study period (as determined by the Institution), and during vacation periods, staff and students may be permitted to wear smart casual attire. Staff and students are notified in advance of planned smart casual days. Acceptable smart casual attire includes:

- smart, unfrayed jeans;
- neat shirt/blouse/top;

- polished, practical footwear;
- items with minimal logos and branding.

4.2 Shorts, tank tops, frayed clothing, thongs/flip-flops and other open toe shoes are not acceptable.

4.3 Smart casual attire should be appropriate for the Institution's diverse community and must not display any political, religious or offensive statements/language.

5. General presentation

5.1 All staff and students are expected to uphold the following general presentation standards:
