

# Refund of Fees Policy - Domestic Students

## 1. Purpose

The purpose of this policy is to provide domestic students at the Institution with a clear understanding of the conditions under which they may be eligible for a refund of their tuition and non-tuition fees or a re-credit of their FEE-HELP/HECS HELP amount for the relevant study period.

## 2. Scope

This policy applies to all domestic students.

## 3. Definitions

**Deferral or defer** refers to commencing students who have received an offer of admission but wish to delay their course commencement date at the Institution. All deferral requests must be made in accordance with the Deferral Procedures.

References to **fees** contained in this policy relate to both tuition and non-tuition fees, with the exception of fees for residential accommodation which are outlined in the Residential Fees Policy.

**Withdraw or withdrawal** means the formal process undertaken by students who wish to withdraw entirely from their studies and discontinue their enrolment at the Institution or withdraw from enrolled subject(s) after they have signed the offer of acceptance or have commenced their study (on or after the course commencement date). A student must withdraw in accordance with the Withdrawal Procedures.

See *Glossary of Terms* for more definitions.

## 4. Policy statements

4.1 Refunds may be considered for students who withdraw from their course in accordance with the Withdrawal Procedures, or who are unable to continue their studies due to compelling or compassionate circumstances beyond their control.

4.2 Refund eligibility and amounts are outlined in Table 1. Notwithstanding Table 1, students remain liable for any other outstanding debts owed to the Institution. Outstanding debts are deducted from the overall refund amount if not paid prior to the refund being processed.

4.3 Notwithstanding the provisions outlined in Table 1, a refund or recredit of FEE-HELP/HECS-HELP may be granted in special circumstances beyond the student's control, making it impracticable for the student to complete the requirements of a subject or course of study, the full impact of which occurs on or after the census date for the subject. Students are required to provide documentary evidence in support of their application. Special circumstances are prescribed under Higher Education Support Act 2003 Administration Guidelines and include but are not limited to:

1. serious health issues;
2. death of the student or a close family member (parent, sibling, spouse or child); or
3. major political, civil or natural disaster causing prolonged absence.

## 5. Tuition Protection

5.1 The Institution has arrangements in place to protect the tuition fees of domestic students in the event that the Institution is unable to deliver the course for which the student has enrolled.

5.2 The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist students whose education providers are unable to fully deliver their course of study. The TPS is a placement, refund and loan re-credit service for eligible students who are affected by a provider closing or ceasing to

deliver a course. The TPS provides information and assistance to ensure that students are able to either:

- complete their studies in another course or with another education provider; or
- receive a refund of unspent tuition fees; or
- for domestic students on FEE-HELP/ HECS-HELP, receive a loan re-credit for the subjects they received a FEE-HELP / HECS-HELP loan for and they were undertaking when the provider defaulted.

5.3 In the unlikely event that the Institution is unable to deliver a course the student has paid for and does not meet their obligations to either offer an alternative course that the student accepts or pay a refund (or a FEE-HELP/HECS-HELP re-credit as applicable) of unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist the student in finding an alternative course or to get a refund if a suitable alternative is not found.

5.4 The TPS can be contacted at: [administrator@tps.gov.au](mailto:administrator@tps.gov.au) or phone 1300 980 434. For more information on the TPS please refer to <https://tps.gov.au/Home>

## **6. Refund process**

6.1 Refund/re-credit for FEE-HELP/HECS-HELP requests must be submitted by completing the online [form](#). The refund request will only be considered once the online form has been satisfactorily completed and any relevant documentary evidence (if applicable) submitted.

6.2 Refunds may take up to 28 days to be processed from the date the form and documentary evidence (if applicable) has been received by the Institution.

6.3 For FEE-HELP/HECS-HELP, the re-credit amount may take up to six months to appear in the student's FEE-HELP/HECS-HELP balance limit in CHESSN.

6.4 Refund payments are only made to the student, or a specified person, as nominated by the student in their written agreement.

6.5 The Institution retains records of all receipts of payments made by students under the written agreement for at least two years after the person ceases to be an accepted student.

## 7. Complaints and appeals

7.1 If a student is dissatisfied with a decision, they may lodge a complaint in accordance with the *Complaints and Appeals Policy* and *Complaints and Appeals Procedures*.

7.2 Students have the right to make a complaint about any aspect of the Institution's services or to raise a grievance about a member of the Institution's community. Students can be assured that complaints processes are fair, equitable and dealt with promptly.

7.3 The Institution manages complaints in accordance with its *Complaints and Appeals Policy* and *Complaints and Appeals Procedures*, which provide further details on the following key processes:

**Step 1:** Students are encouraged to informally resolve a grievance where it is appropriate and reasonable to do so.

**Step 2:** Where a matter cannot be informally resolved, or if a student is dissatisfied with the outcome, the student may lodge a complaint. The complaint will be investigated and an outcome determined within a specified time period.

**Step 3:** Where a student is not satisfied with the outcome of the complaint the student may lodge an appeal. The appeal will be investigated, considered by an Appeals Committee and an outcome determined within a specified time period. This is the final internal avenue for appeal.

**Step 4:** Where a student is still not satisfied, they may submit a complaint or appeal with an external body or agency. Full details and timelines are provided in the *Complaints and Appeals Procedures*.
